

**2018-19 Peer Learning Communities**  
**Management Essentials | Scope and Sequence**  
*Washington, D.C.*

**The Management Essentials PLC will focus on three main goals:**

- Building a collaborative community of peers across the city
- Providing learning and development opportunities that build and refine the competencies necessary for success as a manager
- Teaching and applying best practice talent strategies, including 70/20/10 development planning

**This PLC will consist of eight monthly meetings from September 2018 through April 2019:**
